*The Book Woman of Troublesome Creek* by Kim Michele Richardson

"Inspired by the true and historical blue-skinned people of Kentucky and the brave and dedicated Kentucky Pack Horse library service, *The Book Woman of Troublesome Creek* showcases a first in traditionally published literary novels— a bold and unique story and

tale of fierce strength and one woman's belief that books can carry us anywhere — even back home." — [kimmichelerichardson.com](http://kimmichelerichardson.com)
