

EXCEL EASY

INTRO TO THE BASICS

Excel can be used to enter all sorts of data and perform financial, mathematical, or statistical calculations!

Attendees will use Excel program on library's public computers. Library staff will walk you through an online tutorial. Let's make Excel easy!

Pre-registration is required. To register or get more info, visit the Reference Desk, call (541) 269-1101, or register online @ <https://bit.ly/42FYEkJ>

Saturday, May 31
10:00am-11:00am
(entrance @ 9:50am)
