## **Speed Dating**

Life is busy, and sometimes it can be really hard to meet people outside of work, whether it's to build friendships or something more.

Now you can come to Coos Bay Public Library's Speed Dating program, where you can meet other singles!

While meeting people, you will be given a chart in which you will mark which other singles you would be interested in seeing again, and the hosting librarians will help match you with singles who are also interested in you!

We encourage you to bring your favorite book or movie to talk about, snacks will be provided.
