

# SPEED DATING

## Back by popular demand, Coos Bay Public Library is again hosting Speed Dating!

**How it works:** Every lady will meet every gentleman in series of quick speed dating rounds. Everybody will be given a chart in which they can mark who they would be interested in seeing again, and the hosting librarians will help match those with common interest in each other!

Please check the birth years to see which which sessions you are *eligible* for.

Registration and ID

is required for the event, thank you!

You can contact the library or sign up on our events page online at:

<http://www.coosbaylibrary.org/events/>
