Love People, Use Things

by Joshua Fields
Millburn & Ryan
Nicodemus

Let's face it... Minimalism can be a scary word that conjures up images of bare walls and spartan shelves. Ryan and Joshua aren't caught up on particulars; their philosophy can just as easily be called inti-onalism, essentialism, or living-within-your-means-ism. "No matter what you call it, minimalism is the thing that gets us past the things so we can make room for life's important things-- which aren't things at all."
