EXPLORE NEW RECIPES WITH OUR LIBRARY OF THINGS

The library is the best place in town to discover new recipes through our extensive stock of cookbooks, free nutrition guides, and the digital *A to Z World Food Database*, but did you know your library can lend you an air fryer, spiralizer, or automatic bread maker as well? Bring something unexpected to your holiday table this year by taking advantage of our extensive Library of Things, a collection of tools, appliances, and recreational equipment available to anyone 18 years or older with a Standard Patron Coastline card and a valid photo ID. Ask for a Library of Things agreement form at the circulation desk to take advantage of this service.
