WELCOME TO THE COOS BAY PUBLIC LIBRARY BOOKBOX FOR TEENS!

Here at the library we're always looking for fun ways to connect readers with books we think they'll love. In this spirit the Teen BookBox was born– a FREE subscription box that brings you a personalized book selection and other fun goodies each month.

So, how does it work?

- 1 Fill out this registration form to help us get to know you a little better. We'll hand-pick a title for you to read based on your personal tastes.
- 2 The book will be automatically checked out to your account. The goodies in the box are yours to keep while books are due back in 3 weeks. BookBoxes will be ready the first Friday of each month, when you may pick them up at the library or have them mailed to you.
- 3 Each month a "what did you think?" slip will be included inside your book, so that you can tell us how you liked/didn't like the book and any other feedback you might have along with a rating system. Please complete this slip and return it to the library.
